¹ Ongoing charges - annual, all taxes included. For Amundi ETF funds, the ongoing charges correspond to the Total Expense Ratio. The ongoing charges represent the charges taken from the fund over a year. When the fund has not closed its accounts for the first time, the ongoing charges are estimated. It compares the annual total management and operating costs (all taxes included) charged to a fund against the value of that fund's assets. **Transaction cost and commissions may occur when trading ETFs.**
